JOHNNY DC SAYS:

LET THE MAIL BEGIN!

Hi, I'm Johnny DC, your friend on the inside of DC Comics! CARTOON NETWORK ACTION PACK is all about heroes -- Juniper Lee is a hero and Samurai Jack is a hero. Ben 10 is a hero, when he's not getting into trouble. Coop and Jamie from Megas XLR are -- well, I'm not sure what they are, but you know what I'm saying. With all of the heroes in the comics, it's only natural that you would want to draw some too! And it's only natural that I'd want everyone to see what you drew. So get ready -- get set --

Dear Johnny DC,

I've always thought I had a wild imagination. I've been inspired by heroes and villains. My villain, Apocalypse, can change his body into any substance.

My hero, Ty, loves to play the guitar in his band Black Magic. They're an '80s and '90s tribute band. His power is that, when he sees someone using a power, he automatically learns that power.

P.S. It would be a lot better if I could find the right color for Ty's skin.

P.P.S. Rock on!

Dear Johnny DC,

This is my character. Her name is Ash. Her powers are flying and controlling the weather around her, like thunder, rain, and lightning.

Cayla Hamby, age 13
Norman, Oklahoma

DRAWING BY CAYLA HAMBY

Dear Johnny DC,

This girl in the picture I drew for you is a superhero that I created. Her name is Roseallynn. She has amazing powers. She has super strength and she can fly. She can also shoot purple lasers from her eyes.

She is the princess of her ancient civilization. Her mom and dad died and she is about to become queen as soon as she turns 14. The one thing she doesn't know is that she has a secret starbolt power.

Hannah Armstrong, age 10
Texas

DRAWING BY HANNAH ARMSTRONG

Dear Johnny DC,

I've thought of new superheroes named Super Teen Dinos -- Super Dino, Super Bino Dino, and Red FB.

Super Dino is a teenaged dinosaur hero who has the powers of strength, speed, flight, and super hearing. He is the leader of the team. Super Bino is a small dinosaur who has the same powers as Super Dino, but he's smarter and more careful. Red FB is short for Red Fireball. He was evil before Super Dino broke the evil heart that Red has inside of him.

They have teamed up to face their ultimate foe, Riptide.

Hi, Johnny DC!

I've got a new super for you guys. Here she comes! She can summon anything she wants.
